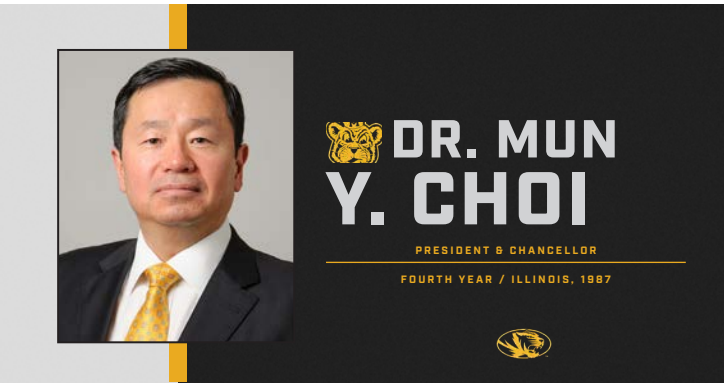
Keegan O'Toole defeats No. 5 ranked Edmond Ruth of Illinois at 174 pounds, bumping up to 174 pounds. Mizzou defeated Illinios 29-6 in the sold out Stifel Theatre, the first sporting event held in the theatre's 87 year history.



Mun Y. Choi is the 24th president of the University of Missouri System and, as of July 2020, now serves in a dual role as chancellor of the University of Missouri.

In this new role, President Choi oversees the academic, business, and financial aspects of the four universities, as well as a health care system and statewide extension program.

In partnership with the University of Missouri Board of Curators and university leadership, President Choi introduced a new collective vision for the system in 2018: to advance the opportunities for success and well-being in Missouri, the nation and the world through transformative teaching, research, innovation, engagement and inclusion.

This effort strengthened collaboration among the four universities and created a more efficient environment. He has worked tirelessly to transform the perception and value of higher education with the university community, alumni, legislators and Missourians.

Since his arrival, MU has celebrated three consecutive years of substantial enrollment growth, the highest graduation rate in the university's history and a record 90 percent retention rate for first-year students returning their sophomore year. This fall, MU also jumped up 15 places in the U.S. News & World Report rankings.

Choi has led efforts to strategically invest in UM System research, particularly through NextGen Precision Health with the anchoring facility set to officially open in Fall 2021 on MU's campus. In addition to attracting top scientists, NextGen Precision Health has the potential to make key discoveries — with treatments for prostate, breast and pancreatic cancers, traumatic brain injuries and rare musculoskeletal diseases — as well as increase health care access for rural Missourians.

Building a climate that promotes diversity and strengthens inclusion, is another key priority for Choi. For the first time ever, the entire university community is required this fall to complete cultural competency training. The American Council of Education recently cited MU as a national example for increasing its capaity to improve campus culture. In 2020, MU had the highest percentage of Black/African American students (7.7%) among all 11 Midwest flagship universities and, over the last four years, has increased its minority tenured-track faculty hires by 26 percent.

Choi strongly and continually advocates for every member of the university community to take personal responsibility for addressing discrimination when witnessing it - no matter how subtle or unintentional. The burden of raising awareness and creating a more inclusive culture falls on everyone's shoulder.

Choi came to Missouri in 2017 after nine years at the University of Connecticut where he served as a provost and executive vice president (2012-2017) and earlier as a dean of engineering (2008-2012). His 25-year career in higher education also includes serving eight years as a department head of engineering at Drexel University and six years as an assistant and associate professor at the University of Illinois at Chicago.

A product of and passionate champion for public higher education, he earned his bachelor's degree from the University of Illinois. He secured his master's and Ph.D. degrees in mechanical and aerospace engineering from Princeton University. His parents brought their family to the United States from South Korea when Choi was 9 years old. His parents' initial U.S. jobs making uniforms for Taekwondo students and teachers evolved into a highly successful family business. The Choi Brothers in Chicago, where Choi worked as a young man, is now run by his sisters and is one of the country's largest suppliers of martial arts uniforms. Choi is married to Suzanne Choi and they have three children.

Laird Veatch was named the University of Missouri's Director of Athletics, effective May 1, 2024. Veatch has served in the same role at the University of Memphis since October 2019.

Veatch, a former football student-athlete at Kansas State University, is a 25-year veteran of intercollegiate athletics with experience in the Big 12 and Southeastern Conference.

He returns to Mizzou at an exciting time in its history. The Tigers have had an impressive run of success in the last few years, both academically and athletically. In 2023, Mizzou football finished the season ranked No. 8 in both major polls while gymnastics and wrestling spent most of their seasons ranked among the Top 10 nationally.

At Memphis, Veatch oversaw multiple facility projects and renovations, including an indoor football facility, a new tennis center, an Olympic sports weight room and nutrition center. Veatch has also led Memphis' innovative Name, Image and Likeness program, becoming one of the first schools to hire an NIL director, while collaborating with Altius Sports Partners to develop an Athlete Services Department.

In April 2024, Veatch's forward-thinking NIL mindset was on display nationally, when Fortune 50 company FedEx announced a $25 million investment over the next five years to create an innovative NIL program benefiting Memphis student-athletes who will be promoting FedEx initiatives.

In 2021, Veatch unveiled Memphis' strategic vision that aligned with the university's comprehensive strategic plan and included an integrated academic program and athletics facilities master plan. The university also recently launched a $220 million renovation to revitalize and modernize Simmons Bank Liberty Stadium as the home of Memphis Football.

Veatch is a leader who is familiar to many in the Mizzou community. He spent five years at Mizzou from 1997-2002, the last three as assistant athletic director for development, where he oversaw the department's fundraising activities with an emphasis on facility and capital fundraising projects. Veatch also served as general manager of Mizzou Sports Properties from 2003 to 2006 and as regional vice president for Learfield Sports in Missouri from 2006 to 2010. At Mizzou, Veatch managed the Tiger Scholarship Fund annual giving program and directed the department's comprehensive capital campaign.

Veatch also has served in athletics administrative positions at the University of Texas (1995-97), Iowa State University (2002-03), Kansas State University (2010-2017) and the University of Florida (2017-19).

In 2010, Veatch returned to his alma mater and held several positions in Kansas State's athletics administration, most recently as deputy athletic director and chief of staff (2016-17). Veatch's first experience in the SEC came at Florida, where he served as executive associate athletic director for internal affairs from 2017 to 2019.

Veatch began his professional career in 1995 at the University of Texas, assisting with the development program as well as the external affairs area as a graduate assistant while earning his master's degree in sports administration in 1997.

Veatch received his bachelor's degree in business administration from Kansas State in 1995 where he was a four-year letterman at linebacker for College Football Hall of Fame coach Bill Snyder from 1990-94 and served as team captain as a senior. He was a starter on K-State's Copper and Aloha Bowl teams in 1993 and 1994 and earned honorable mention All-Big Eight Conference honors in 1994.

He was also a two-time CFA Academic All-American, was Academic All-Big Eight four times and was a Hitachi/CFA Scholar-Athlete in 1994.

Veatch and his wife, Brandy, have three daughters, Jordyn, Taylor and Sydney, and one son, Dru.

In his 27th season as the Missouri Head Wrestling Coach, Brian Smith and his "Tiger Style" culture have molded the program into a national powerhouse that continues to pursue NCAA titles.

AT THE HELM

Hired on May 5, 1998, Smith sat down with his team and made a list of goals he hoped would help the 1998-99 squad and future Tigers. The team earned one national qualifier that season, Jeff Urban, but it was the ground floor of what was to be built in the years to come—the birth of Tiger Style.

Since taking over, Smith has coached 64 individual conference champions, 192 NCAA qualifiers, 69 All-American performances and six wrestlers to 10 national titles. Holding a 334-120-3 (.734) record with the Black and Gold, he has led the team to 23 seasons with a dual record at or above .500, including three undefeated campaigns (2014-15, 2017-18 and 2020-21). During that stretch, the program earned 12-consecutive conference championships. Smith secured his first Big 12 Title in 2012 before moving to the MAC and winning nine-straight conference tournaments. The Tigers returned to the Big 12 in 2022 and took home the trophy that season and the next, 2023.

At least one Tiger grappler has been selected to compete at the NCAA Championship in each of Smith's 26 seasons at Missouri, including six seasons qualifying all 10 starters, a feat the program has reached three of the last four years. His squads have finished among the top-20 programs at the NCAA Championship in 21 of the last 22 seasons and concluded nine of the previous 11 national tournaments in the top 10. At the 2009, 2015, 2017 and 2023 national tournaments, Missouri has had a program-high five Tigers earning All-America accolades.

The demands that Smith puts on his wrestlers extend well beyond the mat. Since he took the reins in 1998, his wrestlers have been recognized by the National Wrestling Coaches Association (NWCA), Big 12, MAC and College Sports Communicators (formerly CoSIDa) for their academic achievements, totaling 155 academic honors. Among that list is two-time National Champion Keegan O'Toole, the latest Tiger named an Academic All-American. He made the second team in 2023 after securing his second title and maintaining a gpa above 3.5 in Personal financial planning.

Upon his return to the Big 12 in 2022, Smith picked up his second and third Big 12 Coach of the Year honors in 2022 and 2023 after earning the award in 2012. After venturing into the MAC, Smith continued to rack up accolades by winning five-consecutive Coach of the Year honors from 2013-17.

Additionally, Smith has been honored as the top wrestling coach in the NCAA twice in his career. WIN Magazine named him the Dan Gable Coach of the Year in 2007, and 10 years later, he was named the National Wrestling Coaches Association Coach of the Year in 2017.

MILESTONES

- Earned his 100th win Dec. 9, 2006, at No. 11 Central Michigan topping the Chippewas, 31-9
- Recorded his 200th dual win on Nov. 15, 2014 against Truman State with a 54-0 performance
- Became Missouri's first 300-win coach in program history, eclipsing the milestone on January 8, 2021, in a 30-6 triumph over No. 21 Central Michigan
- Surpassed Norm Stewart as Missouri's winningest coach March 5, 2023, after earning a Mizzou record 12th conference championship at the Big 12 Tournament

COACH OF CHAMPIONS

Six Tiger wrestlers have reached the pinnacle of collegiate wrestling, collecting 10 NCAA Championships under Smith's tenure, beginning with Ben Askren. During Askren's Tiger career, Smith guided the 174-pound grappler to the program's first back-to-back National Championship titles in 2006 and 2007.

On March 21, 2009, Mark Ellis became the second Missouri wrestler in program history to collect top honors, winning the final in overtime, 3-2.

Max Askren followed in his big brother's footsteps by winning a national title for Mizzou in 2010. M. Askren earned Tiger Style's fourth NCAA Championship and first at 184 pounds.

Starting as a true freshman, J'den Cox claimed the program's fifth, sixth and seventh national titles. Cox is the only wrestler in program history to become a three-time NCAA Champion, taking home the 197-pound title in 2014, 2016, 2017.

In 2015, redshirt senior Drake Houdashelt concluded his historical Tiger Style career with a 149-pound National Championship at the 2015 NCAA tournament. Moreover, Houdashelt sealed four titles in four years for the Tigers.

Becoming the first 165-pound champion for Tiger Style, Keegan O'Toole completed the fourth undefeated individual season in program history on his way to the top of the podium in 2022. O'Toole defending his title in 2023, joining B. Askren and Cox as the only multiple-time champions in program history.

Additionally, Smith has helped guide two wrestlers to the Olympics. Ben Askren was the first wrestler in program history to compete in the Summer Games, with an appearance in the 2008 Beijing Summer Olympics.

J'den Cox followed as the second Tiger wrestler to earn a spot in the Olympics. The three-time National Champion continued his strong career with a bronze-medal finish at the 2016 Rio Summer Olympics. Cox was not taken down once in four Olympic matches, after having under

five months to prepare for freestyle competition after the completion of the college wrestling season.

BEFORE MIZZOU

In 1997, Smith took his first collegiate head coaching position at Syracuse, coaching Jason Gleasman (HWT) to All-America honors during the 1997-98 season.

Prior to taking the reins at Syracuse, Smith began his collegiate coaching career at Cornell in 1992. While an assistant at Cornell, he put together two of the nation's top-10 recruiting classes, a feat he accomplished without athletic scholarships. Those recruiting classes helped Cornell win two Ivy League Championships, a 10th-place finish at the 1993 NCAA Championship and a 17th-place finish in 1994. At the 1994 NCAA Championship, one of Smith's top athletes, David Hirsch, became Cornell's first national champion since 1960.

Smith's coaching career started at Western High School in Fort Lauderdale, Florida. From 1991-92, Smith led Western High to its first top-10 finish at the state tournament, claiming a second-place finish in 1991 and a fourth place showing in 1992. Smith coached two state champions and led five wrestlers to top finishes at the Florida state tournament.

OTHER LEADERSHIP POSITIONS

One of the most tenured college wrestling coaches in the country, Smith has earned the respect of his peers around the nation, as he has served on numerous wrestling committees during his time at Missouri.

Smith currently serves as a member of the NCAA Wrestling Championships Committee, and from 2010-12, Smith held the role of president of the NWCA. He also works in the role of Wrestling Commissioner for the Show-Me-State Games, an Olympic-style event with 40+ sports for all ages held in Columbia.

HIGH SCHOOL AND COLLEGE CAREER

A competitor himself, Smith was a three-time All-Big Ten wrestler and a four-time letterwinner at Michigan State from 1986-1990. Competing at 126 pounds, Smith finished fifth at the Big Ten Championships in 1988, third in 1989 and second in 1990. Smith stands among the top 25 on Michigan State's all-time wins list, with 84 career victories as a Spartan. He is also tied for 19th on MSU's single-season wins list with 32 victories in 1990, the season in which he was named Michigan State's Most Outstanding Wrestler.

A native of Fort Lauderdale, Florida, where his father coached football, Smith was a two-time wrestling state champion in 1984 with Oviedo High School and in 1985 while competing at St. Thomas Aquinas High School.

PERSONAL

Smith graduated from Michigan State with a degree in education and married the former Denise Dean in 1993. Brian and Denise have three children, Quinn, Kylie and Braden. In the spring of 2009, Smith received his Master's Degree in Athletic Administration from William Woods University.

In his sixth season as the Associate Head Coach of Missouri wrestling, Tyrel Todd joined the staff in the spring of 2019.

During his five seasons at Missouri, Mizzou saw five wrestlers to 13 All-American finishes in NCAA tournament competitions, and eight conference champions in two different leagues (Mid-American Conference and Big 12). Additionally, he assisted in leading the team to a fifth-place finish (64.5 pts) at the 2023 NCAA competition, including an individual national champion in Keegan O'Toole, who earned his second title at 165 pounds.

Prior to joining the Tigers, Todd worked as an assistant coach for Purdue for four seasons. He helped put together three consecutive top 25 recruiting classes, securing nine top-100 recruits over his four seasons with the program. In 2017-18 the Boilermakers turned in their best Big Ten Championships performance in six years with 59.5 points. The 59.5 points were the most at Big Tens for Purdue in nearly a decade. In total, with Todd on staff, Purdue had 27 NCAA Championship qualifiers and 24 Big Ten Championships place winners.

Prior to his stint at Purdue, Todd served as an assistant coach at Cal Poly (2010-11). While on staff with the Mustangs, he coached four NCAA qualifiers (141, 157, 165, 197), including a runner-up finish from Borislav Novachkov at 141. The following season, Ryan DesRoches earned All-America honors at 174.

In July 2013, Todd was named an assistant coach at Arizona State where he worked hands-on daily with the upper weights, including Blake Staffer, who earned All-America honors at 184 pounds with a third-place finish at the 2015 NCAA Championships. Todd's work at ASU focused on recruiting, coordinating practices, developing training schedules and organizing team travel.

Todd began his coaching career following a decorated collegiate career in which he earned All-American honors three times at Michigan, culminating with a 2009 Big Ten Championship during his senior season at Michigan. He finished his collegiate career with a 121-30 overall record, ranking 16th in UM history in career wins.

He excelled in the classroom as well at Michigan, earning an All-Big Ten Academic selection and Athletic Academic Achievement Award winner in 2006, receiving the Snip Nalan Scholarship for Wrestling in 2008-09 and was named the team's Distinguished Scholar in 2009.

Todd also found success wrestling freestyle at 84 kg. He took fifth at the 2007 ASICS U.S. National Championships, eighth in 2008 and was seventh in 2011. In 2008, Todd placed fourth at the Olympic Trials, narrowly missing a bid for the Olympic Games in Beijing.

Todd a native of Bozeman, Montana, hails from a six-generation dairy farming operation. He received his bachelor's degree in secondary education from Michigan in 2009, majoring in history and minoring in psychology. He and his wife, Loni, have two daughters, Jacy Clair and Reyn Lindsay.

After a distinguished collegiate and freestyle wrestling career, Kendric Maple enters his sixth year with the University of Missouri wrestling team and third as an Associate Head Coach.

Maple was hired as an assistant coach in the summer of 2019 and entered the program as an NCAA Champion, multi-time All-American and a U.S. Freestyle Open Champion. Following his first three seasons with the program, he was promoted to Associate Head Coach in the summer of 2022.

In his time with the Black and Gold, Maple helped guide Keegan O'Toole to back-to-back NCAA titles at 165 pounds in 2022 and 2023. Hes has coached five wrestlers to 13 All-America honors over five seasons and assisted eight conference champions to reach the top of the podium in both the MAC and Big 12. In 2022-23, Maple aided the Tigers to its 12th consecutive conference title (fourth since his arrival) and a fifth-place finish at the national tournament. The 2023 tournament finish is the team's best since 2016-17.

Before joining Missouri, Maple served as an assistant coach at Nebraska for two seasons (2017-19), helping the Huskers to a ninth-place finish at the 2017-18 NCAA Championships and a 10th-place finish the year after. He guided Chad Red Jr. to back-to-back All-American honors at 141 pounds in 2018 and 2019, as Red became NU's first All-American at that weight since 2004. Maple also helped Tyler Berger and Taylor Venz to All-American honors in 2018 and coached Berger to a second-place nod at 157 pounds.

Previously, Maple spent one year at Purdue as an assistant coach, where he helped lead three Boilermakers to the 2017 NCAA qualifications. While there, he worked alongside current Mizzou Associate Head Coach Tyrel Todd.

Maple's coaching career began at his alma mater, Oklahoma, where he was a volunteer assistant from 2014-16. During his two seasons on staff, Maple coached former teammate Cody Brewer to the 133-pound title at the 2015 NCAA Championships. In 2016, Maple helped Brewer claim his fourth All-America honor with a third-place finish at 133 pounds. He also played a key role in Ryan Millhof's 2016 Big 12 title run and All-American finish at 125 pounds.

One of the most successful wrestlers in OU history, Maple was a three-time NCAA All-American and claimed the NCAA Championship at 141 pounds in 2013. With a career record of 127-25 (.836), the national champion was sixth all-time in wins for the Sooners after his career.

Maple was named to the Capital One Academic All-America Division I At-Large Team off the mat in 2014. Additionally, he was a three-time NWCA All-Academic Team member (2012, 2013, 2014) and a three-time Academic All-Big 12 selection (2012, 2013, 2014. He also won the NCAA Postgraduate Scholarship and the Big 12 Dr. Prentice Gautt Postgraduate Scholarship.

Continuing to see success in freestyle after his collegiate career, Maple went on to win the UWW Freestyle World Cup in 2018. Additionally, he was a three-time U.S. Freestyle Open finalist, having won in 2017 (61kg) and 2022 (65 kg). His most recent first-place finish at the open came four years removed from competitive wrestling as he honored a deal made with O'Toole after he had won the U20 World Championship. In 2015, Maple qualified for the Freestyle World Team Trials and finished fourth before being runner-up in 2017.

Originally from Wichita, Kan., Maple earned his bachelor's degree in health and exercise science from Oklahoma in May 2013. He received his master's degree in adult and higher education, with an emphasis in intercollegiate athletic administration, from OU in May 2015. Maple and his wife, Jordin, have two sons, Kiner and Kyro.

Former Tiger Style wrestling legend Dom Bradley is in his sixth year with the program and third as an assistant coach.

Bradley was hired as a volunteer assistant coach before the 2019-20 season and was promoted to a full-time assistant coach on July 3, 2023.

During his time with the program, Bradley has been an integral part of the development of the student-athletes and in the corner for Keegan O'Toole's consecutive National Championships in 2022 and 2023. The team has had 12 All-American performances and eight conference champions during his time.

Most recently, Bradley was a key fixture, working extensively with heavyweight Zach Elam. Under his tutelage, the heavyweight finished sixth at the 2023 NCAA Championship and fourth in 2024. Elam became the first in the weight class to become an All-American since Bradley and finished his career 19th in the record book in total wins, passing his coach as the winningest heavyweight in program history.

Before joining the Missouri staff, Bradley was a senior-level athlete in Nebraska's (2018-19) and Iowa State's (2017) RTC programs. He also spent 2016 as an assistant coach with Blue Springs High School. Bradley's coaching career began in West Virginia in 2015 as a volunteer coach.

Bradley was a staple in the lineup for head coach Brian Smith (2008-13), winning a Big 12 title and placing third at the 2011 NCAA Championships. The Blue Springs, Missouri native won a Mid-American Conference title in 2013, followed by a fourth-place nod at the national tournament. The two-time All-American is still the only heavyweight to win a Big 12 championship for Mizzou and the second in the weight class to become an All-American.

The heavyweight earned several program accolades throughout his Tiger Style career, starting with the Marshall Esteppe Most Outstanding Freshman award in 2009. In 2010, he added the Hap Whitney Coach's Award, given to the wrestler who displays dedication, commitment, sacrifice and unselfishness. He was then named the program's Most Outstanding Wrestler in 2011.

Bradley is 22nd in Mizzou history with 105 wins, while his career winning percentage (.875, 100-win minimum) ranks fourth all-time. He lettered at Missouri from 2009-13 and took an Olympic redshirt in 2012.

Throughout and after college, Bradley continued to have success in freestyle wrestling. The Missouri native totaled three U.S. Open titles, three Pan-American Championships and a Junior World title in 2009. He placed third at the U.S. World Team Trials four times, second once, and third at the U.S. Olympic Team Trials in 2016. Bradley retired from competing in 2024 after making his eighth U.S. National Team.

Bradley graduated from Missouri in 2013 with a degree in hospitality management. He and his wife Kayla were married in 2020 and have a daughter, Gabriella and son, D'Angelo. Bradley received his master's degree in positive coaching and athletic leadership from Mizzou in 2023.

Keenan Hagerty, the former men's and women's wrestling coach at William Jewell College, joined the University of Missouri staff as director of operations in July 2022.

Hagerty joined the Tigers program after serving as the men's and women's wrestling head coach at William Jewell. Hagerty joined Jewell in Aug. 2020 and was tasked with starting a women's program while revitalizing the men's program after a 27-year hiatus.

During Hagerty's head coaching stint, he showed his mettle as a recruiter, bringing over 30 new student-athletes into the wrestling programs. He led the women's program to its first-ever national ranking of No. 15, while Emalie Olson earned the first individual national ranking at No. 8 in the 116-pound class. Five student-athletes from the women's program advanced to the NCWWC National Championships, and freshman Sarina Bertram was tabbed as the William Jewell Women's Newcomer of the Year.

Prior to his stint with the Cardinals, Hagerty spent four years as the top assistant at Maryville University. During that time, he helped Maryville to 19 All-Great Lakes Valley Conference selections, 15 NCAA-II national qualifiers, seven All-Americans and one national champion.

Hagerty spent his collegiate career at Maryville and compiled a career record of 125-28 while becoming a four-time national qualifier and three-time All-American. He opened his career in 2012 with a 33-7 mark, finishing as the national runner-up at 149. Following that season, he was named the Maryville University Male Athlete of the Year and Newcomer of the Year. Throughout his career, he set school records for wins in a season (42) and career (125), was a three-time Super Regional finalist, won the title in 2013 and was an NWCA All-Academic selection.

Although he competed collegiately across the state, Hagerty's wrestling roots run deep in Kansas City. He attended Blue Springs High School, where he won a state championship under his father, Mike, a 2016 inductee into the National Wrestling Hall of Fame.

Hagerty earned his bachelor's degree in business administration from Maryville in 2016.

Jarrett Jacques joined the Tiger Style staff as Recruiting Coordinator in August 2024.

The Columbia, Missouri native, spent five seasons (2018-23) in Black and Gold, amassing a 102-40 record and tying him for 26th in the program in career wins. Jacques is a five-time NCAA qualifier and a 2019 Mid-American Conference Champion at 157 pounds.

After graduating, Jacques turned his focus to freestyle and international competition. Wrestling at 74kg, he placed fourth at the 2023 U.S. Open, Bill Farrell, Senior Nationals and again at the 2024 U.S. Olympic Team Trials. His fourth-place finish in an Olympic year team trials earned him a spot on the U.S. National Team for the first time in his career.

Jacques graduated from Missouri in 2022 with a degree in communication. He married his wife, Devin, in the summer of 2023, and earned his masters in positive coaching in 2024.

Askren topped Keith Gavin (Pittsburgh) for the third time to earn his second national championship. With the win, the senior became the Tigers' only back-to-back national champion in wrestling and the first for the University of Missouri overall since track star Derrick Peterson in 1998-99. The grappler has never finished lower than second in the nation at the NCAA tournament, closing his career with an 87-match win streak and a 42-0 senior season. The two heavyweights pushed through the one-minute sudden victory period and scrambled on the edge of the mat for the first 30-second tiebreaker. The second 30-second period in which Ellis chose down proved the difference in the match and marked the Kansas City, Missouri native's third win of the season in overtime.
